Name: .....

Address: .....

.....

.....

Telephone: .....

Email: .....

Please return your completed pledge form to Martin Gledhill,  
69 Monkton Farleigh, Bradford on Avon BA15 2QJ (email  
mlgledhill@btinternet.com).

Thanks again for your support !

## About our new heaters

We are installing new under pew heating at St Peter's to make the church more comfortable.

The pew heaters are fixed below the pew seat and provide gentle heat to the pew's occupants. Pew heaters heat people directly rather than heating the surrounding air. This makes them very economical to run not only minimising running costs but also reducing the church's carbon footprint.

## We need your help!

We are asking for your help to pay for the new heaters. Each of the 20 heater units costs £300 – a total of £6,000.

Can you pledge the cost of one or more units?
