

FAMILY AND COMMUNITY LEARNING

*Discover opportunities
Develop skills
Achieve ambitions*

We have a range of single-session and short courses to help adults get back into learning.

Our courses are taught by friendly tutors, online or at venues across Wiltshire.

WHY LEARN WITH US?

Gain new skills

Build confidence

Reconnect with learning

Help your child

Take your next steps to further learning, volunteering or employment

FAMILY LEARNING

Our courses support parents and carers to build their confidence and skills to help their child with English, maths, learning, and emotional wellbeing.

ADULT SKILLS

Our courses help adults develop skills in maths, English and ESOL, plus work-related skills such as working in schools, early years, customer service and food safety.

CONFIDENCE & WELLBEING

Our courses help adults to manage worries, develop self-esteem, achieve goals, and look forward to facing new challenges.

INDEPENDENT LIVING SKILLS

Our courses for adults with additional needs help to build skills and confidence, while taking steps towards independence.

Our courses are free for adults aged 19+ years, have a Wiltshire address and have been a resident in UK/EU for 3+ years (some immigration statuses exempt) and meet eligibility criteria. Please visit our website or contact us for further information.
